Webinars are designed for a group of people to gather at particular location and sign on together. You will need a computer/tablet/IPad, speakers and a microphone (usually part of your computer) you can also cast your screen on to a Smart TV to make viewing for a group easier. Preferably one of the people attending is a trainer, a DR or your district Alateen coordinator to serve as a proctor (attest you were there and help you participate) It is not designed for individuals to sign on alone at this time. There are a number of Trainers in WA Area if you prefer a live training in your district please contact Carrie at 360 773 7200 or waalateen@gmail.com and we will attempt to arrange one for you.
